

Jobs with Purpose

Capability Statement

Founded in 1965, ECVC is a successful self-sustaining nonprofit 501(c)(3) agency that holds more than a dozen federal contracts for hundreds of items across multiple product lines. We are one of the largest suppliers of batteries to the United States Military. We are a prime manufacturer of picture frames and battery terminal adapters. Other federal packaging contracts include pipe cleaners, drill bits, pushpins, and thumbtacks. We partner with a variety of commercial businesses from around the world to handle their warehousing, packaging, assembly, manufacturing, and shipping needs.

- 80% of our direct labor hours performed by persons with significant disabilities, including 90% of direct labor on federal contracts
- Member of the Greenville-Pitt County Chamber of Commerce, a founding member of the Greenville ENC Alliance and is one of the largest manufacturing employers in Pitt County
- 6 consecutive HIRE Vets Medallion Awards from the US Department of Labor
- ISO 9001 certified
- CARF accredited since 1977

Additional Programs, Businesses, and Initiatives

- Partnering with the NC Community College System on *ECVC's Custodian Apprenticeship Program* – the first apprenticeship program targeting people with disabilities in North Carolina.
- Janitorial service provider for Pitt County government facilities and numerous local businesses.
- High quality custom matting and framing services performed in on-site retail store for a number of colleges, universities, businesses, government agencies and walk-in customers.
- On-site job placement and staffing service, so we can staff up quickly for new on or off-site opportunities.
- Partnering with Employment and Independence of People with Disabilities (EIPD, formerly Vocational Rehabilitation – VR) and Pitt County Schools to offer Pre-Employment Transition Services (Pre-ETS) for high school students with disabilities.
- Partnering with East Carolina University (ECU) and Pitt Community College (PCC) to offer permanent scholarships for students with disabilities.
