

# **B/E** Manufacturing Co. Inc.

**COMPLETE SOLUTIONS THAT MEET YOUR NEEDS**

## **What We Do**

- Aerospace, Military Component Manufacturing
- Nuclear Component Manufacturing
- Bio-Energy
- Paper & Pulp
- Small quantity custom machining
- Prototype machining for your developmental purposes
- Welding services
- Design & Engineering Services

## **Certifications**

- Federal Aviation Administration DOT CFR Certified
- ISO9001/2008

## **Materials**

- 300 Series Stainless Steel, 304, 316, 317
- Titanium
- Hastelloy
- Inconel
- Aluminum
- Monel
- Delrin UHMW
- PTFE
- Duplex stainless steels
- Any Plate Material

Our company is certified ISO9001:2000 / Certificate No.: QEC16133 FAA CERTIFICATION

## Manual Equipment

- Hardinge Precision Tool Room Lathe with Digital Readout, HLV-H
- Bridgeport Milling Machines with Digital Readout and Power Feed
- Planer Mill 48" x 72" 4-Head Conventional Machine
- Electro Arc—Tap Disintegrator for all Size Taps and Drill
- Fortuna Cylindrical Grinder AFC 1000 with digital readout on diameter (O.D., I.D.)
- 12" x 30" Cylindrical Grinder (O.D., I.D.)
- 10" x 15" Surface Grinder
- Engine Lathes up to 18" x 52"
- 36" Bullard Vertical Lathe
- Glass Beading Machines
- Heliarc Welder (300 Amps)
- Wire Welder (500 Amps)
- Wet and Dry Sanders up to 8"
- Miller Wire Welder
- Drill Presses
- 42" Radial Drill #5
- Vertical Band Saw
- Horizontal Band Saws
- Abrasive Cut off Saws
