

FS-01 Bright Shield

Disposable clear face shield with Elastic Strap, Latex-Free Foam Comfort Band, Anti-Fog Properties, Non-Sterile

Description

Bright View's FS-01 is a durable, disposable face shield that offers excellent visibility while providing protection from accidental splashes. The full length shield is 13"x 9" and fits over glasses or goggles. It is made from optical grade PET film with a foam headband and elastic laminate strap for comfort. It is non-sterile and intended for healthcare and medical purposes as well as other applications such as retail, food/grocery, and other uses. It is not intended for impact protection.
