

**Sensors and Controls for Automation  
Air Extraction and Filtration Machines  
European Replacement Parts**

**Photoelectric sensors**  
**Photoelectric amplifiers**  
**Safety multiplexers**  
**Adjustable photoelectric forks**

**FUCHS Umwelttechnik**

**Air extraction machines**  
**Replacement filters**  
**Nozzles and fume hoods**

**Ring light barriers**  
**Fork light barriers**  
**Ultrasonic sensors**  
**Frame light barriers**  
**Light curtains**  
**Color sensors**

**High and low temperature proximity sensors**  
**Flow and level controllers**  
**Infrared sensors**  
**Ex-classified switches**

**Safety mats**  
**Safety edges**  
**Inductive loop detectors**

**Inductive proximity sensors**  
**RF tags and readers**  
**Safety light curtains**
