***Just PULL  
the red tab!***

***Instantly, the window is completely blacked out to any light or movement!***

- Easy installation - no hardware
- UV Blackout fabric
- NFPA 701 Fire retardant
- Color choice: black or navy
- Standard or custom window sizes
- Weighted bottom for quick release

1. Measure window size and add 3-4" to overall size.  
(ie 4"x35" window needs 8"x45" size)
2. Simply peel off the adhesive strip and apply above window frame
